

# COVID 19 and The Griffin Pub

In order for us to keep you, our customers and staff safe we have implemented enhanced cleaning protocols as directed by WorkSafe. This is a new and complicated situation for everyone. We at the Griffin are doing our best in this situation to follow protocols and keep you safe. Please be patient, kind and understanding during these challenging times.

This is what we are doing.

- Taking every one's temperature when they enter the building. If your temp is elevated you will be asked not to enter in order to keep everyone safe.
- Providing hand sanitizer at all entry points.
- Enhanced hand hygiene for all staff
- Enhanced cleaning protocols for all areas and touch points
- Limiting the number of tables and spacing to provide distance
- Sanitizing all tables, chairs and condiments between guest
- Training staff on best practises for guests and staff safety
- Signage to indicate capacity in designated areas
- Designated Waiting AREA
